All Petrus Rabbit Feeds Contain:

- *Yucca schidigera* Extract – binds ammonia, reducing odor
- Yeast and Probiotics – adds good bacteria and feeds those good bacteria
- Supplemental Enzymes – help break down feed for better absorption

We strive to use high quality ingredients in every batch of rabbit feed

NO FEED CAN SUBSTITUTE FOR A GOOD, SOUND MANAGEMENT PROGRAM
Always supply plenty of fresh, clean water with any feed

We also offer many other products for the rabbit producer, including steam rolled oats, steam rolled barley, and black oil sunflower seeds.

We are also dealers for Bass Equipment and Edstrom Water Systems.

ELITE RABBIT FEED

Petrus Feed is excited to introduce a new line of feed. These feeds are called **ELITE** as they contain a proprietary blend of all-natural essential oils, such as

- Oregano
- Thyme
- Rosemary
- Red Pepper

These essential oils work synergistically with our protein products, vitamins, and minerals to optimize performance and profitability.

By combining enzymes, probiotics, prebiotics, phytonutrients, and yeast products, our Elite feeds enhance feed digestion, improve nutrient absorption, support immune health, and enhance palatability.

Elite Rabbit Feeds available: Elite 700C, Elite 5050, and Elite 780

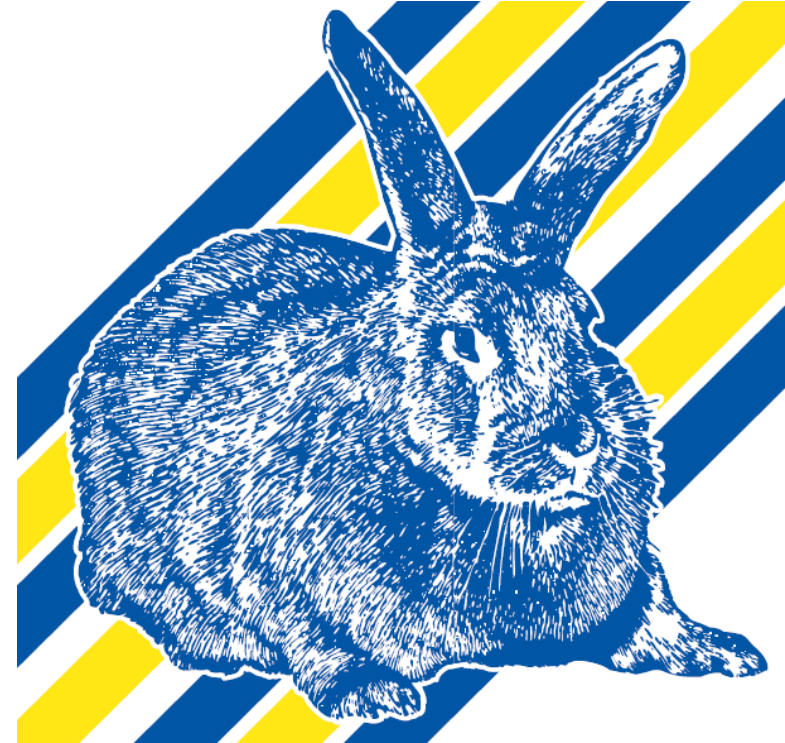

Petrus Feed and Seed is family owned and operated in Alexandria, Louisiana. We have been manufacturing rabbit feed for over 35 years. For more information on feed, shipping, or prices, please feel free to contact us.
